Speaking mock: Final Mock Exam

الامْتِحَانُ التَّجْرِيبِيُّ النِّهَائِيُّ

How this mock works (breakout rooms, pairs)

- **Partner A** is the candidate and keeps only the **candidate card**. **Partner B** is the examiner and keeps the **examiner card**. Then swap.
- **Preparation:** 1 minute per role play. Read all five tasks, underline the question words and plan the *first words* of each answer. No writing full sentences.
- **Role play:** about 2–3 minutes. The examiner reads each line exactly as written and waits for an answer.
- Task ! is the **unexpected question**. It is not printed on your card: listen carefully and answer fully.
- **Topic conversation:** about 5 minutes. The examiner asks questions from different topics (A–E), starting with Core and moving up.
- Afterwards, the examiner completes the **speaking marking grid** with you.

Which role play should I do?

If you get stuck, keep talking

لَحْظَةً مِنْ فَضْلِكَ … دَعْنِي أُفَكِّرُ.
One moment please … let me think.

عَفْوًا، هَلْ يُمْكِنُ أَنْ تُعِيدَ السُّؤَالَ؟
Sorry, could you repeat the question?
